Camp Financial Assistance Request Form 2018

FAQ

Does it cover all the costs?
No. Financial assistance is given based on individual need. The parent or guardian is responsible for any remaining costs.

Where does the money come from?
Financial assistance funds are made possible through direct donations of individuals. Funds are not raised from the fees we charge our campers.

Who is eligible?
All prospective students in financial, spiritual, and/or emotional need - both individuals and families - are eligible to apply. Students who have not been given any financial assistance or attended camp in previous years with Grace Church, will be considered first. Applicants who have received assistance in the past may still be eligible for additional financial assistance.

Will I get assistance for sure?
Unfortunately, we cannot guarantee every request will be granted. Each application is reviewed and assistance awarded based on financial, spiritual, and emotional need.

Is this registering my children or family for camp?
No. Once a financial assistance award is offered, accepted and your deposit paid, you will be registered.

When are applications due?
In order to be considered for financial assistance, applications are due by June 1st.
